

My most dedicated Quilting Sister ~

CHARITY

Charity is such a good friend
that she nears sainthood!
She is very patient, and is always kind.
She is never jealous or rude.
Charity always thinks of others.
She appreciates each
and every day. Charity is the
best friend you will ever have
because she will never, ever stop
loving you or telling you how
special you are.
Charity's mission is to spread
all the kindness, love, and
appreciation around
the world that she can!
Her dream is that everyone
would take the time
to see the good
in everyone and experience
the greatest joy -
Unconditional Love.
